## A Catalyst of Change

In 2022, under the aegis of the DPS Society, New Delhi, we inaugurated DPS Rampurhat, which has quickly become the most preferred CBSE school in Rampurhat. With a vision to raise the benchmark for educational standards in West Bengal, the school has already established itself as one of the best-equipped institutions in Rampurhat, Nalhati, and within a 45 km radius and beyond. Boasting state-of-the-art facilities that few schools in the region can match, DPS Rampurhat stands as a beacon of excellence.

## A Campus that has it all

DPS Rampurhat stands as a perfect blend of classic architecture and modern innovation, designed to inspire excellence. With a state-of-the-art sports complex, all-weather swimming pool, spacious classrooms, wide corridors, and dedicated play areas, we provide an environment where students thrive academically, physically, and emotionally. Our trained and experienced teachers ensure that every moment spent at the school is joyful and memorable, fostering holistic development in a truly all-in-one facility.

## Nurturing good Habits Early

A strong beginning sets the foundation for lifelong success. At DPS Rampurhat, we provide our young learners with an environment that fosters confidence, creativity, and self-expression. With impressionable minds eager to learn, our team of qualified and compassionate teachers nurture them with love and care in the pre-primary section. Our curriculum is thoughtfully designed, incorporating the latest audio-visual learning techniques and a dual-language approach to align with global standards. Through an activity-based framework, we instill essential values in our students from the very start of their educational journey, ensuring holistic development
