

DELHI PUBLIC SCHOOL RAMPURHAT

(UNDER THE AEGIS OF DPS SOCIETY, NEW DELHI)

DPS RAMPURHAT ACADEMIC CALENDAR – 2023 – 24

Academic Planning Comm. is delighted to present the academic calendar for the upcoming academic year at DPS Rampurhat. This carefully designed calendar aims to provide an enriching and holistic learning experience, ensuring the overall growth and development of our students.

The academic calendar outlines various important events, examinations, and activities that will take place throughout the year. It has been meticulously crafted to strike a balance between academic rigor, co-curricular engagement, and personal well-being. We believe that this comprehensive approach will enable our students to develop not only academic proficiency but also critical life skills, leadership qualities, and a sense of social responsibility.

Some of the key highlights of the academic calendar include:

Orientation and Welcome Events: We will begin the academic year with orientation programs and welcome events to ensure a smooth transition for our new students and their parents. These events will provide important information about the school's policies, facilities, and expectations.

Continuous Assessments and Formative Evaluations: Regular assessments and evaluations will be conducted to gauge the progress of students. These ongoing evaluations will help teachers identify areas of improvement and provide targeted support to each student.

Parent-Teacher Meetings: We highly encourage active involvement and open communication between parents and teachers. Regular parent-teacher meetings will be scheduled to discuss the academic progress, strengths, and areas of improvement of each student. These meetings serve as an opportunity to collaborate and work together in the best interest of our students.

Co-curricular Activities: We firmly believe in the importance of a well-rounded education. Throughout the year, various co-curricular activities such as sports events, clubs, cultural festivals, and inter-house competitions will be organized. These activities will nurture talents, promote teamwork, and provide opportunities for students to explore their interests beyond academics.

Examinations and Evaluations: Mid-term and final examinations will be conducted to assess the students' understanding of the curriculum. Additionally, mock exams and practice tests will be organized to prepare students for the final assessments effectively.
